Please make our staff aware of any allergies or special dietary requirements when ordering your meals. We have Gluten Free options available on request. In accordance with Trading Standards legislation, we are able to provide details of the 14 allergens as well as which foods they are contained in on our menu. We purchase from local suppliers and use only the freshest and finest ingredients. It should be noted that small bones may be found in fish dishes. We would ask for your patience at busy times, all food is freshly prepared and cooked to order. If you have any enquires or questions, please do not hesitate in asking our waiting staff who will be happy to help.
